- What is a good thing in your life that is common to all humanity?
- What is a good thing in your life that is unique to you?

Going Deeper

SOMETHING TO KEEP IN MIND: There is a universal grace that every human being experiences from God – having life, living in a world that supports life (water & food), the beauty of the creation around us etc. But then there is a saving grace that is activated in a person's live only when they receive it, even though it is always there.

Read Luke 19:1-10

1. What stands out to you most in this story and why?
2. Is there anything that is confronting or disturbing to you in this story?
3. What is Jesus demonstrating about God's grace?

Taking a Next Step / Growing your Influence

SOMETHING TO KEEP IN MIND: Sometimes those who appear furthest from God by their outward life and actions maybe the closest to salvation because on the inside they are searching. Remember God sees the heart.

4. What is God saying to you personally through this passage?
5. How can you live this out or let it impact you or others through you during the days ahead?
