Going Deeper

Interestingly though these words are 2000 years old and uttered in a very different culture and context to today they are so relevant for us living in the modern world.

Read Luke 12:22-34

1. Is Jesus saying we should be in-active in providing for our daily needs?
2. How is what Jesus saying relevant for you / modern life?
3. Retell one point from this story in your own words?

Taking a Next Step / Growing your Influence

SOMETHING TO PONDER: Often it is when we stop (the in-between time) we have time to think and it can be in these moments that we can give over our thoughts to worry. But we can train ourselves to put our minds to other foci. Here are 3 things we can focus on instead of worry. Gratitude. Things that build awe. Remember our purpose.

4. Is there a practical step you can take to draw your focus from worry to faith?
5. If you do this how could it impact your interactions with others?

IN IT TOGETHER
