OPENING GOD’S WORD

Getting Focussed

- Your mind is more than the anatomy and biochemistry of your physical brain. What is one thing about your mind that you appreciate and what is one thing about your mind that may frustrate you?
- Do you think your mind can still develop further in positive ways?

Going Deeper

Read Matt 22:37-38

Remember love here is an action (even if of thought and decision) but not a feeling.

1. What roles does your mind have in enabling you to love God or people?
2. Can your mind hinder you loving God or people and how if you answer Yes?

Read Romans 12:1-2

1. How can renewing your mind lead to personal transformation?
2. What things can you do to renew your mind in the way Paul talks about here? Explain the dynamic of how it will work in practice.

Read Philippians 4:8-9

1. Given Paul’s suggestion – how can these things renew our mind in a good way?
2. What can you deliberately dwell on or who can you learn from that would create positive input into your mind?

Taking a Next Step / Growing your Influence

1. What is one or two things you can do, keep doing or stop doing to gain good or godly input into your mind?

IN IT TOGETHER
